

Mothers in the Middle

The birth of your baby is a time to cherish, and we are delighted that you have chosen Burdett Birth Center to share in this joyous event. We want to ensure that your birth experience is as comfortable as possible and that you and your family feel at home with us.

Mothers in the Middle is an evening program for expectant parents who are in the mid-point of their pregnancy. This is your opportunity to hear about Burdett Birth Center from our panel of professionals, including OB/GYNs, midwives, pediatricians, anesthesiologists, nurses, and lactation consultants. It is also a chance for you to ask any questions you may have regarding our services, and tour our beautiful birth center.

We look forward to meeting you and welcoming your new family to ours.

The program is free and offered quarterly.
